Buy a tree pack today and get planting

A Medium size tree pack (Photo: New College Stamford students/WTML)

We've tailored a selection of tree packs to suit nearly any taste or need. You can apply for some of these tree packs for free if you are part of a school or community, but alternatively you can buy them from our online shop while stocks last.

## Tree packs

### Hedge

Welcome the wildlife. Mammals, insects and birds all love the shrubs in this hedge pack. Plant these trees to make a natural screen or use them to connect existing woodland, helping hedgehogs and dormice stay on the move. You will get six of each species for eight metres of full, easy to manage hedging.

Trees: 30 Species: dogrose, hawthorn, hazel, crab apple, dogwood  
Size of land: tennis court Cost: £49.95

### Copse

Create a piece of paradise with this copse pack. Plant a mini forest school classroom or a peaceful spot that's an oasis for birds. You will get 10 of each species for a small, tranquil copse.

Trees: 30 Species: silver birch, rowan, wild cherry Size of land: tennis court Cost: £49.95

### Wild harvest

Get fruity with our wild harvest pack. In a few years you'll be steeping sloe gin, setting crab apple jelly and sinking elderflower

wine. Or try something a bit different with dog rose syrup and roasted hazelnut coffee.

Trees: 105 Species: hazel, blackthorn, crab apple, dog rose, elder, cherry plum Size of land: 4x tennis court Cost: £105

### Year round colour

Stay on trend with this season's colours. Enjoy beautiful blossom from April to May and bright berries from July to November. Watch the leaves change from vivid greens through golden hues into gorgeous russet tones.

Trees: 105 Species: hawthorn, dogwood, wild cherry, silver birch, rowan, hazel Size of land: 4x tennis court Cost: £105

### Working wood

Get your hands dirty. Plant our working wood pack and in 7-10 years you could be coppicing to fuel log burners. Channel your creativity and learn to carve or weave willow.

Trees: 105 Species: rowan, silver birch, wild cherry, common oak, field maple, grey willow Size of land: 4x tennis court Cost: £105

### Wild wood

Soak it up and cool off. These hardy native species can tolerate exposed sites and help dry up areas where water collects easily.

Trees absorb water and their roots break up soil to help water penetrate the ground more deeply and slow surface water run-off.  
Trees: 105 Species: alder, crab apple, downy birch, hawthorn, holly, goat willow Size of land: 4x tennis court Cost: £105

### Wildlife

Just one oak tree supports a thousand other species so imagine how much difference you'll make planting all these trees! Establish food sources for woodland wildlife and create a living legacy for future generations with our wildlife pack.

Trees: 105 Species: hawthorn, rowan, blackthorn, silver birch, hazel, common oak Size of land: 4 x tennis court Cost: £105

### Targeting tree disease - available October - April

Join the fight against tree disease. Renew your landscape, restore existing woodland and hedgerows and regenerate countryside that is threatened by disease. This pack is made up of large trees suited to growing on large plots of land.

Trees: 45 Species: oak, hornbeam, silver birch, wild cherry, beech

Size of land: half a football pitch Protection: tubes and stakes Cost: £60. We are part-funding this tree pack to help with the fight against tree disease.

## Looking for something smaller?

Try one of our new mixes of 4-15 trees, perfect for gardens and smaller plots of land.

### Scottish mix

Trees: 4 Species: rowan, Scots pine, silver birch Cost: £12.95
