

Young Photographer 2017/18

RIBI YOUNG PHOTOGRAPHER COMPETITION

Time for all the budding photographers to get out their cameras and take on RIBI's challenge to find this year's Young Photographer, the competition is open to all 7 to 17 year olds across three separate age groups.

This year's theme is "**A Different Perspective**" and competitors can use all types of cameras including camera phones to capture their images and enhancement can be involved in the final image.

Individual entrants in the age categories, junior, intermediate and senior produce a portfolio of 3 prints max A4 and a brief sentence to describe to how the each image represents to the brief.

Individual clubs arrange their own competitions across all youth groups and schools within their area and their final judging date will be on **March 19th 2018**

The winners from each age group are then submitted to the **district organiser by 2nd April 2018** for District competition judging with the three winners being then entered into the national competition.
